

ValleyCrest
Landscape Maintenance

December 28, 2011

Dear Homeowner,

Please be aware that beginning the week of January 9, 2012, ValleyCrest Landscape Maintenance will be dressing the front and sides of your home with mulch.

If you would like to take advantage of our volume discount and order the installation of mulch in the back of your home, please complete the information below and return it by January 20th 2012.

We will provide you with an estimate, basing the bag counts on a 2" depth of application. Note that payment in full will be required in advance of the installation.

Sincerely,

Michael Rosey
