HURRICANE MATTHEW VISITS THE RETREAT OCTOBER 6-7, 2016

Hurricane Matthew

By Lill Malinowski

Retreat residents were fortunate that the eye of Hurricane Matthew missed us. Thursday night when we went to bed with our home shuttered up, Matthew was pounding the outside of our homes and landscaping. At 3AM, we lost power. I dreaded going outside on Friday morning. I was pleasantly surprised that there was only shredded leaves and twigs. Our power was restored after 17 hours. Only a handful of trees were knocked down in the Retreat. Some of us had screens that were blown out. As you see in the picture, the one-way sign at Glacier Terrace and Retreat Drive is upside down.

We were blessed!

Pre and Post Hurricane Matthew

By John H. Clifford, President and Treasurer,
Retreat at Seabranh Home Owners Association

Many homeowners of the Retreat who were residents during the 2004 and 2005 hurricane season realize how incredibly LUCKY we were with the passing of Hurricane Matthew.

While some of our neighbors had trees down and The Retreat lost electrical power for approximately 15 hours, the track of the Hurricane caused relatively minor storm damage in and about The Retreat.

We should all be very proud as our community came together and recognize the generous efforts of many residents as neighbors assisted one another with storm shutters, moving exterior furniture, and sharing generator power.

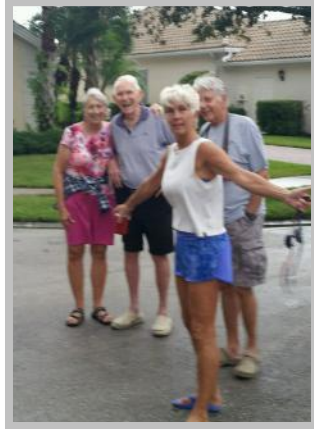

The Board appreciates your patience with the post hurricane restoration and clean up efforts. Steps were taken to protect the clubhouse, pool furniture and pool pump equipment. Our Property Manager Robert Ireton-Hewitt coordinated the closing of clubhouse shutters, moved all of the pool furniture to a protected area and removed the pool pumps that are located in an area that is vulnerable to flooding. All clubhouse activities were completely restored on Tuesday, October 11th.

BrightView our landscaping company was back on site Saturday, October 8th, the day after the storm passed and started their clean up efforts. BrightView is continuing to clean up landscaping debris and has started the mowing process. The clean up process will take some time, but rest assured the Retreat will be returned to "normal" promptly.

Once again the entire Board thanks everyone for their patience and cooperation during the aftermath of Hurricane Matthew.

Hawks Nest Court Cul-De-Sac

Some of us decided to take our dogs for a walk before we settled to bed on Thursday evening. Other neighbors came out, and we had a fun time getting ready for Matthew.

BROWNIES

By Lill Malinowski

Several residents on Hawks Nest Court were pleasantly surprised when neighborhood children rang the doorbell and presented us with a plate of brownies fresh out of the oven. This was just before the hurricane. They wanted us to have something sweet during the hurricane. We are pleased to have this family in our wonderful community!

WHITE MARLIN

By Becky Brown

Heather, our daughter, caught this fish, a white marlin, practicing for a tournament. The captain said she would have won a lot of money if it had been during the tournament! It was caught in the Atlantic Ocean off Virginia Beach, Virginia.

Summer Outing

By Marilyn Patterson

On Friday, August 19th, eleven members of the Women's Club went to Ft. Pierce for a full day of fun and food. We toured the St. Lucie County Aquarium during their "feeding frenzy" tour. Our guide was an employee of The Smithsonian, and was very knowledgeable. I highly recommend this 45 minute tour. They also have a "touch tank" that we enjoyed, but would be fun for our grandkids also. We had lunch at the Tiki Bar and Grill and then went to the St. Lucie County Historical Museum. It was interesting to see how the area started with Indians and then was taken over to become what the town is today.

Making Strides Against Breast Cancer "Happy Hour"

By Dottie Williams

Although Hurricane Matthew was responsible for the re-scheduling the Treasure Coast Community Singers Making Strides Against Breast Cancer team's "Happy Hour", he certainly did not put a damper on the fun or enthusiasm of the party goers. About fifty TCCS singers, friends and Retreat neighbors gathered together at our home to support the American Cancer Society's fight against breast cancer. A good time was had by all and the event raised \$1,115 for the cause. Thanks to all who attended.

RETREAT ASSISTANCE NETWORK (RAN)

By Audrey DeLoffi

If you were here at the Retreat during Hurricane Matthew, it sure was a testament to neighbors helping neighbors!

Along that note, you are receiving this note and form to let you know that I have taken over the facilitation of the Retreat Assistance Network. As we revive this wonderful service to help residents with short term needs to stay in their homes, I am asking if you are willing to be a volunteer?

As we revitalize our program, we are in need of volunteers to drive residents to doctor appointments, grocery shop or other appointments. We are also looking for volunteers who would be willing to cook a meal or two.

If you would be willing to volunteer, please complete to form listed below and return it to me, or call or email me to let me know of your interest and indicate if you are willing to drive and/or cook.

After I have a core of volunteers, I will be setting up a meeting to talk about the resources we do have in our community and to solicit ideas from you as to how we proceed.

Thank you in advance for your consideration,

Audrey DeLoffi
