GREAT VACATIONS

OUR SUMMER VACATION

By Patti Greaves

“GOOD GRIEF” WHERE HAVE YOU BEEN?

The Greaves left on May 19 destinations—Abaco Bahamas. Weather was totally fantastic. West End for check in, Green Turtle Cay for 2 nights with fishing aboard a 60' “Ricky Scarbo” that somehow caught Black Fin Tuna and lots of Skip Jack, soon to be sliced neatly for Sushi and grilling. On to beautiful Hope Town Marina to meet up with 3 other boats for 8 more days of fun, snorkeling, fishing and just tellin’ tails of whatever! Our daughter called from Boston and met us at the dock for the next 5 days. At 41 she actually had a blast hanging around with Mum and Dad even tho’ she bunked on the sofa, (we had friends in the aft. stateroom). Coffee flowed easily in the AM and shopping was absolutely NO PROBLEM for the “girls.” Cracker Peas lunchtime, Marsh Harbor for dinner one night, and of course Nippers and Pete’s Pub for burgers and brew! We managed to escape for the trip back with fresh Conch Salad and a little quiet on the GOOD GRIEF arriving safely to Jupiter Inlet in a record 3 hours from West End, Grand Bahamas Island. Lots of good memories and several unwanted poundsBoating is great! It’s what we do.

VISION OF THE SEAS

By Gail Pezzicola

In June of this year, we traveled to Amsterdam with Audrey and Tom DeLoffi to board the Vision of the Seas. We spent two days in Amsterdam prior to our cruise to the British Isles. Amsterdam was much more than we expected, complete with packs of bikes, efficient tram rides, beautiful canal tours, the Anne Frank house, and Heineken tasting. We lived on the Vision of the Seas for 12 days. From our first stop in Dover, England through Edinburg, Scotland and Glasgow and onto Dublin and finally Guernsey We were wined and dined and brought home memories that will last forever. We did not miss a night at the “R Bar.” You will believe me when I tell you the bartender was our best friend. Wonderful travel companions and magnificent places in this world to see!!!!

Wiley RV Road Trip

By Dan Wiley

Mona, Bella, and Dan

The Wiley RV Road Trip started problematic. At Cove Rd. Mona said, "Oops, I forgot my shoes!" The only shoes I brought were the sandals on my feet. Then it was, "Oops, I forgot my bathing suit and sweat shirt. And, did I bring a pair of jeans?" Nope and forgot lunch for along the way. We decided to exit in Savannah to find a Publix. As we're bouncing along in the RV, Mona googles a Publix close to the highway. She finds several and chooses one; however, as she enters "Publix," her finger jiggles and she types in "Public." After 20 MILES out of the way, anticipating hoagies from Publix, we are driving through winding streets through historic downtown Savannah and google speaks: "Your final destination is ahead." We look around – there are horse and buggy rides, people sitting around in the square and others shopping, but NO Publix! Then I look – there it is – big as a moon pie – "PUBLIC" parking and PUBLIC toilets!!" Oh yes, 40 miles later, no Publix or lunch, we are back on the highway headed for North Carolina.

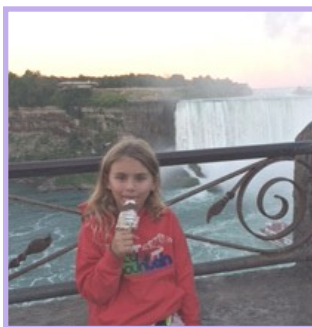

For 10 days we enjoyed the cool weather and lush scenery of the Blue Ridge Mountains near Brevard, NC. Dan caught 6 trout fly fishing and Bella loved the water falls we saw and the adventure of shooting down the river at Sliding Rock. She overcame her fear of river tubing as a 6-year-old boy challenged her to ride with him down the rocky, cold Davidson River.

Our journey took us to visit old high school friends in Virginia's beautiful Shenandoah Valley. So much fun reminiscing and renewing connections from 50+ years ago. Bella put up with old folks talking but loved playing with their grandchildren. She also made new friends in every campground along the way, so we wound up with a host of new friends too.

Our final northern stop was Niagara Falls. It is still a marvelous wonder to behold. We saw it from the Canadian side where they have a very extensive set of observation points and a lovely park. Bella and Dan saw it from the top of a 135 ft. air-conditioned Ferris wheel. We saw it from the tour boat completely within the semi-circle of the Horseshoe Falls. The sound, the sight, the power, the volume and flow of that mighty cataract never fails to impress.

The story is the working farm in Pennsylvania where we stayed 2 nights and Bella adopted "Lucky" as the latest kitten addition to the household menagerie. We saw the Liberty Bell in Philadelphia and bought pretzels in Reading Market. Bella spent 2 days with her brother at the Space Center.

The trip was not about the 2000 miles, 10 states, forgotten items or even the places, but the time together and the wonderful experience of "family."

Williams' Summer Travels

By Dottie Williams

Dave and I usually travel to visit friends and family during the month of July. Leaving the hot Florida weather for the cool temps in the mountains of North Carolina was certainly a treat this year. We spent the 4th of July week with friends at Beech Mountain, NC enjoying all the festivities, music and sights. The local 4th parade and fireworks, a visit to Grandfather Winery and a few concerts in the park (What a surprise to meet fellow Retreat resident, Frank Ziegler at one of the concerts!) were all fun. We even gave Pickleball a try.

From the mountains we went to Midlothian, VA (a suburb of Richmond) to spend time with our daughter and her family. We had such fun with our granddaughters, Amelia and Emma. Visits to Monticello and the Richmond Zoo were a few highlights of our time spent there. I even got to feed the giraffe at the zoo. Who would have thought that being slimed by a big purple tongue would be exciting!

Soon it was time to go visit the "boys" - our grandsons Everett and Archer. We headed to Port Matilda, PA just outside State College to visit our son's family. There we got to go to a circus visiting the area, attend the July release of "Wild Kratts - Alaska Hero's Journey" (a favorite PBS TV show of Everetts) in the State College theater and Pop Pop got to work with our son, Mike, to finish last year's project - the new deck.

The week flew by and soon it was time to pack the cars, put the old family canoe on Mike's car and head to Raystown Lake, an Army Corp of Engineers park in central Pennsylvania. There we were joined by "the girls" - Amelia and Emma and our daughter, Kath and her husband, Craig. Our cabins were right on the lake which meant lots of fishing and swimming for the kids (adults too), campfires, canoe rides for all and lots of memory making. How blessed we are to be able to be together with our family like this.

The month of July came to an end too quickly and it was time to head back to the hot temps of Florida. It is always good to return to our home with its calm and quiet surroundings and to sleep in our own bed.

Family Gatherings

By Lill Malinowski

We leave the Retreat each year to spend our summer in Port Austin Michigan for four months. We have had our cottage since 1971.

This year our daughter Jody and son-in-law Dave along with their dog Otis spent some time with us around Father's Day. We always enjoy Huron Lake. There is an arboretum walking distance from our cottage which is always a peaceful place to visit. And we always have great meals!

Mid August, our daughter Jenny from California and her family arrived. We had a lot of fun in an event called Cheeseburger in Caseville. The Parade of Fools was incredible. Our grandchildren had bags of treats and lots of beads. We enjoyed the concerts as well. It was fun having them but we were tired by the end of there visit.

Right after they left, we went to our friend's 50th anniversary celebration. My friend Gerry and I have known each other since 3rd grade. We stood up to our weddings, our children's events, and spent a lot of time vacationing together.

As soon as we returned to our cottage, my sister Julie and her husband Rick arrived. We had a lot of fun with them. It was been years since they were at our cottage since the lived in Sedona for 16 years. They now live in Asheville North Carolina. Now we can visit them on our way back and forth from our Retreat home and our cottage.

It was a great summer!

FROM ONE FRIEND TO ANOTHER

Written by Andy Rooney

I've learned....

That the best classroom in the world is at the feet of an elderly person.

I've learned....

That when you're in love, it shows.

I've learned....

That just one person saying to me, 'You've made my day!' makes my day.

I've learned....

That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

I've learned....

That being kind is more important than being right.

I've learned....

That you should never say no to a gift from a child.

I've learned....

That I can always pray for someone when I don't have the strength to help him in any other way.

I've learned....

That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned....

That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned....

That simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.

I've learned....

That life is like a roll of toilet paper.

The closer it gets to the end, the faster it goes.

I've learned....

That we should be glad God doesn't give us everything we ask for.

I've learned....

That money doesn't buy class.

I've learned....

That it's those small daily happenings that make life so spectacular.

I've learned....

That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....

That to ignore the facts does not change the facts.

I've learned....

That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned....

That love, not time, heals all wounds.

I've learned....

That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned....

That everyone you meet deserves to be greeted with a smile.

I've learned....

That no one is perfect until you fall in love with them.

I've learned....

That life is tough, but I'm tougher.

I've learned....

That opportunities are never lost; someone will take the ones you miss.

I've learned....

That when you harbor bitterness, happiness will dock elsewhere.

I've learned....

That I wish I could have told my Mom that I love her one more time before she passed away.

I've learned....

That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....

That a smile is an inexpensive way to improve your looks.

I've learned....

That when your newly born grandchild holds your little finger in his little fist, you're hooked for life.

I've learned....

That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

I've learned....

That the less time I have to work with, the more things I get done.

To all of you....

Make sure you read all the way down to the last sentence.

Show your friends how much you care.

The Retreat Board of Directors hopes everyone had an enjoyable summer.

The newsletter articles this season will focus on the internal workings here at The Retreat. Our first article references our governing documents, known as our Covenants, Rules and Restrictions (CRR).

As each of us are well aware, The Retreat is a “deed restricted” community, operated by an elected Board of Directors. The Board of Directors volunteer many hours to ensure the community is maintained according to the standards incorporated in our CRR also known to some residents as our “Green Book”. The CRR can only be amended by approval of a majority of the homeowners,

As Retreat homeowners, we all agreed at the time of our home purchase to a “deed restriction” that fundamentally states that each of us will abide by all of the rules of the homeowner’s association as contained in our governing documents known as our CRR’s.

Our property “deed restrictions” requires all exterior home modifications to be approved by the Architectural Control Committee (ACC). Some common examples of changes that require ACC approval, include but are not limited to, permanent power generator installation, window replacements, door replacements, landscaping plant replacements, landscaping pavers, home painting, exterior home renovations, exterior lighting changes, basically any and all exterior home modifications MUST be approved by our ACC.

Our ACC committee is comprised of fellow community volunteers who work diligently on behalf of every homeowner. This committee operates within the limits of our Covenants, Rules and Restrictions. Once a homeowner submits an ACC application, the committee will provide guidance to the homeowner, to identify possible solutions that will conform to the CRR documents. While some ACC requests cannot be approved due to our “deed restrictions,” most application requests are considered for approval. ACC applications are available on our website, www.retreatatseabranh.com, or from our Property Manager’s Office.

The Board of Directors strongly encourages all homeowners considering changes that will affect the exterior of your home or any homeowner that has made an exterior change without ACC approval to file an application with the ACC promptly. Our goal is to have all homeowners comply with the provisions of our CRR documents.

Finally, as a deed restricted community, the Board of Directors has authorized our Property Management Company (Capital Realty Associates) to issue apparent violation notices to homeowners, when a home appears to be in violation of our Covenants, Rules and Restrictions. Please be aware that after multiple violation notices, the Board may assess a fine for non-compliance.

Our next article will detail the responsibilities of the Board of Directors.

LANDSCAPE BEAUTIFICATION NEWS

DECORATIONS

We all enjoy the enhancement of landscape beauty when decorations are added, especially in the Autumn months when we have back-to-back special events like Halloween, Thanksgiving, Chanukah and Christmas.

However, please remember that if you choose to add decorations to your bushes and lawn, those areas will not be serviced until the decorations are removed. This includes traditional landscape lights.

SEASONAL HOMES

Many Retreat residents enjoy a multi-home lifestyle and it is extremely important that the Property Manager has your current mobile telephone number as well as an email address to communicate with you when you are away from your Retreat home.

You should also designate a neighbor to keep an eye on your property while you are away. Your neighbors are a wonderful asset because they can bring landscape emergencies to your attention quickly such as irrigation not working or a tree that has died.

MONTHLY TRIM

Our crews trim just 5 things on a monthly basis:

- Jasmine
- Bougainvillea
- Eleagnus
- Eugenia
- Anything yellow, brown or dead

Other types of growth are trimmed less frequently:

- Ornamental grasses
Fakahatchee Grass
- Ornamental shrubs & trees
Crepe Myrtle

Don't worry...we trim all the plants as they are scheduled.

WHAT HAPPENED AT THE WOMEN'S CLUB???

By Marilyn Patterson

The Women's Club stayed active this summer. In **June**, we had a wonderful luncheon at Mulligan's new location overlooking the water.

In **July**, we hosted our 2nd annual Summer Picnic. The Clubhouse was packed and everyone enjoyed great food and great company! We also had a relaxing "Spa Day" at the PGA Spa in Palm Beach Gardens, where we enjoyed their amazing pools, lunch, and spa treatments.

Our **August** activity was going to be a 90-minute narrated, scenic cruise, followed by dinner at the Sailfish Marina Restaurant. We spent some time walking through the Arts & Crafts Show there.

Our **Thursday, September 21st** activity is a luncheon at the Twisted Tuna in Port Salerno, followed by a stroll through the small shops and art gallery there. After that (around 2:30 PM) we will tour the Geoffrey C. Smith Gallery in Port Salerno and hopefully, he will be there working so we can watch him do his sculpturing. Sign up by Monday, September 18th. Meet at the Clubhouse by 11:40 AM to carpool and check in with our hostess, Stephanie Milazzo, 245-8615.

Our ladies have also enjoyed water aerobics on Wednesday and Saturday mornings. All that exercising has made them look fantastic!

On **Wednesday, October 11th**, we have the Hobe Sound Mural Tour to look forward to. We will see most of the 22 murals on and around Hobe Sound. We will have lunch at the Taste Restaurant, and have a painting activity also. The cost is \$62, which includes transportation, tour, lunch (tax and gratuities included), brochures, plus all paint activity supplies. Entire program with lunch lasts from 11:00 AM -3:00PM. Meet at the Clubhouse no later than 10:45 AM to check-in and carpool. To secure the trolley, we will need your reservation by September 27, 2017! Contact: Vicki Celio, 546-8119

On **Saturday and Sunday, October 14th and 15th**, the Treasure Coast Community Singers will perform "Come to the Cabaret" at 3 PM both days at North Stuart Baptist Church, 1950 N. Federal Hwy (US1), Stuart. (Are they allowed to sing cabaret songs in a Baptist Church???) Tickets are

\$20. Contact Dottie Williams, 546-3866, davedottie@gmail.com

On **Monday, October 16th**, we will have our monthly meeting. Gather at the Clubhouse at 6:15 to socialize. Meeting will start promptly at 6:45 PM with a fun event to follow. ALL women of the Retreat are most welcome!

On **Wednesday, October 18th**, the Lunch Bunch will be going to the Pawnbroker in Stuart (separate checks). Sing up in the Mailroom. Meet at the Clubhouse at 11:30 AM to carpool and check in with our hostesses, Helen Larcom, 545-0737 and Lill Malinowski, 545-3732.

On a sad note, Ginny Carr lost her life to colon cancer the beginning of August. The Women's Club will miss her. Ann Condon lost her husband the beginning of August. We want to extend our sympathy to both families.

We are looking forward to the return of all our friends who have been away for the summer. Have fun and be safe!

At our May meeting, our program featured Kitty Reading and the therapy dog Schatzi. These two have booked engagements in nursing homes, hospitals and schools, bringing a smile and comfort for those in need. Who couldn't smile with Schatzi around!

IN MEMORY OF GINNY CARR

Memories of Ginny Carr

Ginny and I met years ago, though where I do not recall. Ginny was extremely intelligent and resourceful. Unlike me, she was a computer whiz. She was generous with her knowledge in many fields. She was very much into health related and unusual tricks of cooking. We shared a love of Eggplant Parmigiana and word games. Christmas at Ginny's was very special for John and I. Ginny decorated and displayed at least six trees of varying sizes. Her home was warm and cozy. We will miss her. I am grateful for have known Ginny.

Sue Behn

Ginny Carr was our next-door neighbor. She was warm and friendly and we were very compatible. She was also a very private and fiercely independent individual. So much so that although we knew she was very ill, no one knew just how rapidly her health was declining. I find comfort in knowing that I was able to be there to give her support, care and company when she was finally ready to accept it before she decided to go hospice.

She was a lovely person and she will be missed.

Nick and I recently became great-grandparents.

Tony's son Joey and his wife Kelly had a beautiful baby girl named Madison Grace who will probably be called Madi. They recently moved into The Preserve and will now be included in the weekly family night dinner.

What a blessing.
